

Back to School – Week of 08/23/26 – 08/29/26

Back to School

What does that mean for us?

During our commute to and from the places we conduct business, we all need to adjust from the summer routine of driving. Here are some tips on School Zone Safety:

- Be on the lookout for school zone signals and ALWAYS obey the speed limits.
- When entering a school zone, be sure to slow down and obey all traffic laws.
- Always stop for school busses that are loading or unloading children.
- Watch out for school crossing guards and obey their signals.
- Be aware of and watch out for children near schools, bus stops, sidewalks, in the streets, in school parking lots, etc. Larger groups instead of scattered about during summer.
- Never pass other vehicles while driving in a school zone.
- Never change lanes while driving in a school zone.
- Never make U-Turns while driving in a school zone.
- Never text while driving in a school zone.
- Avoid using a cell phone, unless it is completely hands-free, while driving in a school zone.
- Unless licensed to do so, never use handicap or emergency vehicle lanes or spaces to drop off or pick up children at school.
- Obey rules for driving behind or approaching school busses that are picking up or dropping off. Remember, they stop at all RR crossings.
